

Cultivating Powerful Leadership Presence

What do others experience when they engage with you? What would you like them to remember?

How you “show up” determines your impact. This workshop will cover a variety of communication techniques – verbal and non-verbal – to help you cultivate a deeper sense of presence as a leader.

Through a series of reflective and interactive exercise, this workshop will help participants get grounded in their core values, identify leadership blind spots that are blocking their impact, enhance their communication through deep listening, and create and activate energizing goals to grow their leadership presence.
